

Attention hikers!

The Oaxaca Lending Library is looking for dedicated hikers who would be willing to act as hike leaders on the day hikes sponsored by the "Hoofing It In Oaxaca" program. The hiking program runs November through March. Day hikes will likely happen on Wednesday, Thursday, Friday and Saturday. Hikes get under way at 9 am, typically cover about six miles and run about three hours. Detailed information can be found at www.HoofingItInOaxaca.com.

We are looking for hike enthusiasts - male or female, of any age - who frequently hike themselves and are familiar with many of the trails around the Valles Centrales and in the Sierra Norte. Ideally hike leader volunteers will be able to help with hikes several times each month during the hiking season. The primary task for the hike leader is to guide people along the trail and make sure everyone gets safely back. Hike leaders do not have to pay the usual reservation charge, and so get to hike for free.

If this opportunity to go on some really great hikes with the terrific members and guests of the Lending Library appeals to you, we would like to hear from you.

Please contact Larry at HoofingItInOaxaca@gmail.com or call 951-228-2788.

Thank you!
